PRODUCT APPLICATION GUIDE - PLOWS & SALTERS

**RED GRANITE
EQUIPMENT**

ABOUT US

Red Granite Equipment delivers dependable plow and salter solutions for contractors, municipalities, and fleets that cannot afford downtime when winter weather hits. Based in Wisconsin and serving customers nationwide, we offer Western and SnowEx plows and salters, along with SaltDogg and Swenson spreaders, supported by expert equipment sales, installation, and upfitting.

With deep industry experience and trusted partners, we help customers select and build snow and ice equipment packages designed to perform reliably in real-world conditions.
