ABOUT US

We deliver work-ready trailer solutions for contractors and fleets that cannot afford downtime. Based in Wisconsin and serving customers nationwide, Red Granite Equipment, in partnership with Kriete Truck Centers, offers dependable trailers for demanding applications, including log crib trailers, recovery trailers, dump trailers, and more.

With deep industry experience and trusted brands, we simplify the buying process and help match you with a trailer built for the work ahead. From the jobsite to the highway, our team delivers quality equipment and knowledgeable support to help keep your business moving.
